

GFR 2017 - CHAPTER 7: INVENTORY MANAGEMENT

Rules 207 - 223 | Hinglish revision handout | clause granular | verified 25 September 2026

Is chapter ka dhancha (the shape of the chapter)

Chapter 7 mein 17 rules hain (207-223). Iska flow ek hi kahani hai: maal aaya (receipt) -> maal sambhala (custody) -> maal gina (verification) -> purana/ghisela ya surplus maal beca (disposal) -> hisaab aur write-off. Har rule isi chain ka ek kadam hai, isliye exam mein sequence-based questions aate hain.

Chapter 6 procurement hai (Rules 142-206) aur Chapter 8 contract management (224-227A) - Chapter 7 sirf us maal ke baare mein hai jo department ke paas pahunch chuka hai.

Rule 207 - Inventory Management — scope of the chapter

Scope | status: current | SCOPE

Yaad rakho: Basic rules sabke liye, detail department ki, par Chapter 7 ke hisaab se

Clause tree (verbatim structure)

Rule 207

[FRAMEWORK]

Do baatein: (1) is chapter ke basic rules sab Ministries/Departments par lagte hain; (2) koi bhi Ministry/Department apne detailed instructions aur procedures bana sakta hai - lekin woh "broadly in conformity" hone chahiye, yaani Chapter 7 ke basic rules ke khilaf nahi ja sakte.

Exam trap

[EXAM]

Kya koi department Chapter 7 se hat kar apne inventory rules bana sakta hai? Nahi. Detailed instructions "broadly in conformity" with Chapter 7 hone chahiye - conformity test Rule 207 ka core hai.

Atomic units in this rule: 1 clauses, 2 exceptions

Revision one-liners

- Rules 207-223 = Chapter 7
- Applies to all Central Government Ministries/Departments
- Departmental instructions must conform, not contradict

Rule 208 - Receipt of goods and materials from private suppliers

Receipt | status: current | RECEIPT

Yaad rakho: C.I.R.T.S. - Contract, Inspect, Record, Technical check, Stock register

Clause tree (verbatim structure)

Rule 208(1)

[SHALL - procedure]

Heading clause. Iske niche (i) se (iii) teen mandatory steps hain - contract dekho, verify karo, register karo.

Clause (i)

[SHALL]

Sabse pehla kadam contract terms padhna hai. Delivery schedule, specification, inspection clause, packaging, insurance - jo kuch contract mein likha hai, receipt usi ke hisaab se honi chahiye. Contract ke bina receipt matlab aage chalkar dispute mein department kamzor padega.

Clause (ii)

[SHALL (with one MAY)]

Teen physical cheezein har baar honi chahiye: counting, measuring ya weighing, aur visual inspection - aur ye sab receipt ke time par hi. Visual inspection ke teen objective hain: quantity sahi hai, quality specification ke hisaab se hai, aur koi damage/deficiency nahi.

Note Note

[NOTE]

Rule 208 mein koi footnote ya proviso nahi hai - poora rule teen clauses ka hai.

Exam trap

[EXAM]

Technical inspection kab karwani hogi? "Where required" - jahan zaroori ho, approved Technical Inspector ya approved Agency se. Har baar nahi.

Atomic units in this rule: 4 clauses, 2 notes, 1 exceptions

Revision one-liners

- Refer to contract terms first
- Count - measure - weigh + visual inspection
- Technical inspection where required
- Stock-register entry + receipt certificate

Rule 209 - Receipt / issue of goods and materials from internal divisions of the same organisation

Issue | status: current | ISSUE

Yaad rakho: Indent, Examine, Acknowledge, (na mile to) entry in indenter copy

Clause tree (verbatim structure)

Clause (i)

[SHALL]

Maal mangwane wala officer (indenting officer) prescribed form mein indent dega. Maal milne par woh khud examine/count/measure/weigh karega - quantity, quality, damage - teen check Rule 208(ii) jaisi hi hain.

Clause (ii)

[SHALL]

Stock se maal nikalne ka rule: Officer-in-charge ensure karega ki prescribed form ka indent pehle hi maujood hai. Uske baad maal issue karte waqt likhit ya online acknowledgement lena hoga - indenting officer ya uske authorised representative se, aur woh bhi issue ke time par.

Note Note

[NOTE]

Rule 209 ke (i) mein receipt SHALL hai jabki Rule 208(iii) mein supplier ko receipt dena MAY hai - ye contrast yaad rakhiye.

Exam trap

[EXAM]

Contractor ko diya gaya maal - acknowledgement mein kya likhna zaroori hai? Sirf receipt nahi - recovery rates aur total value chargeable, contractor se signed aur dated.

Atomic units in this rule: 4 clauses, 2 notes

Revision one-liners

- Indent in the prescribed form is mandatory
- Written OR online acknowledgement
- Contractor issue: recovery rate + total value signed & dated

Rule 210 - Custody of goods and materials

Custody | status: current | CUSTODY

Yaad rakho: Safe custody + Storage + Temperature + Dust-free = Rule 210

Clause tree (verbatim structure)

Rule 210

[SHALL]

Jis officer ke paas samaan ki custody hai, woh chaar cheezein ensure karega: (1) safe custody - security, lock, access control; (2) proper storage accommodation - jagah, racks, handling; (3) required temperature; (4) dust-free environment.

Note Note

[NOTE]

Rule 210 mein "etc." hai - matlab temperature aur dust-free minimum examples hain, poori list nahi.

Exam trap

[EXAM]

Rule 210 kis par zyada sakht hai? "Especially valuable and/or combustible articles" par - dono category high-risk hain.

Atomic units in this rule: 1 clauses, 1 notes

Revision one-liners

- Safe custody + proper storage
- Special care: valuable and/or combustible articles
- Temperature control and dust-free environment

Rule 211 - Lists and Accounts

Accounts | status: current | ACCOUNTS

Yaad rakho: Actual balance = Book balance, kisi bhi waqt check ho sake

Clause tree (verbatim structure)

Clause (i)

[SHALL]

Do duties: item-wise lists + accounts rakhna, aur accurate returns banana. Asal test ye hai: kisi bhi waqt asal balance (physical) aur book balance (register) ki tulna ho sake.

Clause (ii)

[SHALL]

Char category ke liye alag-alag accounts - ek hi register sab kuch nahi.

Note Note

[NOTE]

Departments in forms mein aur columns jod sakte hain (jaise warranty expiry, AMC details, location code). Par jo GFR likhta hai, wahan se hatna nahi - minimum to hona hi chahiye - supplement karna hai, replace karna nahi.

Exam trap

[EXAM]

Kaunsa form kis asset ke liye? GFR-22 Register of Fixed Assets - GFR-23 Stock Register of consumables - GFR-18 Accession Register (library books) - GFR-24 Register of assets of historical/artistic value.

Atomic units in this rule: 2 clauses, 1 notes

Revision one-liners

- Test: actual balance vs book balance, at any time
- Separate accounts by category
- Forms: GFR-22 / GFR-23 / GFR-18 / GFR-24

Rule 212 - Hiring out of Fixed Assets

Accounts | status: current | ACCOUNTS

Yaad rakho: Record + Regular recovery + Historical cost = Rule 212

Clause tree (verbatim structure)

Rule 212

[SHALL]

Jab koi fixed asset (jaise departmental genset, machinery, vehicle, tentage) kisi local body, contractor ya kisi aur ko kiraye par diya jaaye, to teen cheezein: (1) asset ka proper record - kaunse asset, kisko, kab se kab tak; (2) hire aur dusre charges regularly recover karne honge - charges wahi jo competent authority ke prescribed rules ke under hain; (3) charges ki ganana historical cost par hogi - matlab asset jis price par kharida gaya tha (uski original cost), aaj ke market rate ya replacement cost par nahi.

Note Note

[NOTE]

Rule 212 khud koi rate prescribe nahi karta - rates "rules prescribed by the competent authority" se aate hain. Rule sirf basis (historical cost) fix karta hai.

Exam trap

[EXAM]

Hire charges kis par based honge? Historical cost par - market rate, replacement cost ya insurance value par nahi.

Atomic units in this rule: 1 clauses, 1 notes

Revision one-liners

- Proper record of hired-out assets
- Hire & other charges recovered regularly
- Charges based on HISTORICAL COST (not market rate)

Rule 213 - Physical verification of Fixed Assets and Consumables

Verification | status: current | VERIFICATION

Yaad rakho: Ek saal, Dono category, Custodian saamne, Certificate, Discrepancy, R.33-38

Clause tree (verbatim structure)

Rule 213(1)

[SHALL]

Teen baatein: (a) fixed assets ka inventory ordinarily site par rahega - matlab jahan asset hai wahan record bhi, alag jagah file mein nahi; (b) verification kam se kam saal mein ek baar; (c) verification ka nateeja corresponding register mein darj ho.

Rule 213(2)

[SHALL]

Consumables ka bhi wahi frequency - saal mein kam se kam ek baar - lekin nateeja stock register mein darj hoga, aur wahan se aage competent authority action legi.

Note Note

[NOTE]

Rule 213(3)(iii) Chapter 7 ko Chapter 2 ke "Defalcation and losses" (Rules 33-38) se jodta hai - shortage ka matlab automatic penalty nahi, balki reporting chain shuru hona hai.

Exam trap

[EXAM]

Fixed assets aur consumables - dono ki verification frequency? Dono "at least once in a year" (213(1) aur 213(2)).

Atomic units in this rule: 3 clauses, 2 notes, 1 exceptions

Revision one-liners

- Fixed assets: at least once a year, at site
- Consumables: at least once a year
- Verification in the presence of the custodian officer
- Certificate + findings in the stock register
- Discrepancies -> competent authority -> Rules 33-38

Rule 214 - Buffer Stock

Planning | status: current | PLANNING

Yaad rakho: Buffer = authority tay kare, 1 saal se upar = generally surplus

Clause tree (verbatim structure)

Rule 214

[SHALL (planning duty)]

Optimum buffer stock competent authority tay karega - ye koi fixed number nahi jo GFR mein likha ho. Tay karte waqt teen factors dekhne honge: requirement ki frequency, quantity, aur supply ka pattern (lead time, reliability). Matlab buffer stock ek analysis ka nateeja hai, guess nahi.

Note Note

[NOTE]

Ye note do kaam karta hai. Pehla: reasoning - inventory carrying cost aisa kharch hai jo material ki value nahi badhata, isliye bina wajah stock rakhna financial propriety ke khilaf hai.

Exam trap

[EXAM]

Buffer stock ka optimum level kaun tay karta hai? Competent authority - frequency, quantity aur supply pattern ke base par. GFR koi fixed figure nahi deta.

Atomic units in this rule: 1 clauses, 1 notes, 1 exceptions

Revision one-liners

- Optimum buffer stock decided by competent authority
- Over 1 year in stock -> GENERALLY surplus (rebuttable)
- Surplus items -> Rule 217 procedure

Rule 215 - Physical verification of Library books

Verification | status: current | VERIFICATION

Yaad rakho: 20,000 = har saal, 50,000 = 3 saal, usse upar = sample, 5 per 1,000

Clause tree (verbatim structure)

Clause (i)

[SHALL]

Teen slabs: $\leq 20,000$ volumes $\rightarrow$ har saal complete verification; 20,000 se zyada aur 50,000 tak $\rightarrow$ kam se kam 3 saal mein ek baar complete verification; 50,000 se zyada $\rightarrow$ sample verification, jinke beech ka interval 3 saal se zyada na ho.

Clause (ii)

[MAY (reasonable) / SHALL (investigate)]

Pehla hissa ek concession hai: ek saal mein jitni books issue/consult hui unmein har 1,000 par 5 volumes ki loss reasonable maani ja sakti hai - par sirf tab jab woh dishonesty ya negligence ki wajah se na ho.

Note Note

[NOTE]

Rule 215, Rule 213 ke "at least once in a year" se exception hai - library books par scale-based schedule lagta hai, annual nahi (siwaye $\leq 20,000$ volumes wale library ke).

Exam trap

[EXAM]

30,000 volumes wale library mein verification? Complete verification kam se kam 3 saal mein ek baar.

Atomic units in this rule: 2 clauses, 1 notes, 1 provisos, 2 exceptions

Revision one-liners

- $\leq 20,000$ volumes: complete verification every year
- 20,001-50,000: complete verification at least once in 3 years
- $> 50,000$: sample verification at intervals ≤ 3 years
- Unusual/unreasonable shortage $\rightarrow$ complete verification
- 5 per 1,000 issued/consulted per year = reasonable loss
- Book $> ₹1,000$ or any rare book $\rightarrow$ investigation mandatory

Rule 216 - Transfer of charge of goods, materials etc.

Accountability | status: current | ACCOUNTABILITY

Yaad rakho: Statement, Dono sign with date, Dono ke paas copy

Clause tree (verbatim structure)

Rule 216

[SHALL]

Teen requirements: (1) jaane wala (transferred) officer ensure karega ki goods/materials sahi tareeke se successor ko hand over ho jayen - sirf chabi dena kaafi nahi; (2) ek statement banega jismein goods/materials ki saari relevant details hon, aur use relieving (charge lene wale) aur relieved (charge chhodne wale) dono officers date ke saath sign karenge; (3) dono ek-ek copy rakhenge.

Note Note

[NOTE]

Rule 216 mein koi proviso ya exception nahi - ye har transfer par lagta hai, chahe charge kitne din ka ho.

Exam trap

[EXAM]

Statement kaun sign karega? Relieving aur relieved - dono, date ke saath. Sirf ek ka sign kaafi nahi.

Atomic units in this rule: 1 clauses, 1 notes

Revision one-liners

- Correct making-over is the outgoing officer's duty
- Statement with all relevant details
- Signed with date by BOTH relieving and relieved officer
- Each retains a copy

Rule 217 - Disposal of Goods

Disposal | status: current | DISPOSAL

Yaad rakho: Declare, Record reasons, Value, GFR-10, Responsibility, E-waste rules

Clause tree (verbatim structure)

Clause (i)

[MAY (declaration) / SHALL (reasons)]

Declaration tab ho sakti hai jab item Ministry/Department ke kaam ka na rahe. Par declaration kaun karega - woh authority jo item kharidne ke liye competent hai (authority competent to purchase). Aur us authority ko reasons record karne hi honge.

Clause (ii)

[MAY (discretion)]

Committee banana vivek-adhikar hai - "may, at his discretion". Matlab committee zaroori nahi, par bade ya sensitive lots ke liye banana behtar practice (aur aksar departmental instructions mein likha hota hai). Exam mein ye MAY vs SHALL ka favourite sawal hai.

Clause (iii)

[SHALL]

Teen prices nikalne honge: book value, guiding price, reserved price. Agar book value nikalna sambhav na ho, to original purchase price use kiya ja sakta hai (yahan "may be utilised" ek permitted fallback hai).

Clause (iv)

[SHALL]

Agar item kisi Government servant ki negligence, fraud ya mischief se unserviceable hua ho, to responsibility fix karni hogi.

Note Note

[NOTE]

Rule 217(v) GFR ko E-Waste (Management) Rules, 2022 aur MoEF&CC guidelines se jodta hai - isliye Special Campaign mein e-waste disposal ka alag se target hota hai.

Atomic units in this rule: 5 clauses, 1 notes, 2 exceptions

Revision one-liners

- Declared by the authority competent to purchase
- Reasons recorded; committee is discretionary
- Book value -> else original purchase price; guiding price; reserved price
- Form GFR-10 - report of stores for disposal
- Negligence/fraud/mischief -> fix responsibility
- E-waste: MoEF&CC guidelines + valid recycler registration

Rule 218 - Modes of Disposal

Disposal | status: amended 10.07.2024 | AMENDED 10.07.2024

Yaad rakho: ₹4 lakh = Tender ya Auction, ₹2 lakh = 10 July 2024 se pehle

Clause tree (verbatim structure)

Clause (i)

[SHALL - [AMENDED]]

Assessed residual value (na ki original purchase value) ₹4,00,000 se upar ho to disposal sirf do tareeqon se: (a) advertised tender se bids, ya (b) public auction. DONO mein se koi ek chunna hai - teesra raasta (direct sale, quotation, committee decision) allowed nahi.

Clause (ii)

[SHALL (with objectives)]

₹4 lakh se kam residual value par mode competent authority tay karegi, lekin bina reason ke nahi - teen objectives dhyan mein rakhne honge: (1) samaan ka jama hona rokna, (2) jagah block na hona, (3) disposal hone wale samaan ki value kharab na hona.

Clause (iii)

[SHALL - immediate]

Kuch cheezein bechi nahi ja sakti - expired medicines, food grain, ammunition jaise hazardous ya human consumption ke layak na hone wale items ko turant dispose ya destroy karna hai, suitable mode se. Teen wajah: health hazard, environmental pollution, aur misuse ki sambhavna.

Note Note

[NOTE]

Clause (i) aur (ii) dono mein threshold ek hi hai aur dono amendment ke saath badalte hain - 10 July 2024 se pehle dono jagah ₹2 lakh tha.

Atomic units in this rule: 4 clauses, 2 notes, 2 exceptions + 1 amendment

Revision one-liners

- >₹4,00,000 residual value -> advertised tender or public auction
- <₹4,00,000 -> competent authority decides the mode
- Hazardous/unfit items -> immediate disposal or destruction
- Security-sensitive items -> official secrets rules + financial prudence
- AMENDED: ₹2,00,000 -> ₹4,00,000 by DoE OM F.1/3/2024-PPD dt. 10.07.2024

Rule 219 - Disposal through Advertised Tender

Sale | status: current | SALE

Yaad rakho: 9 steps (a)-(i), 7 aspects (a)-(g), 10% bid security, late bid = no

Clause tree (verbatim structure)

Clause (i)

[SHALL - 9 steps]

Nau kadam: bidding document banana -> tender invite karna -> bids kholna -> analysis/evaluation -> highest responsive bidder chunna -> sale value collect karna -> sale release order dena -> goods release karna -> unsuccessful bidders ki bid security wapas karna.

Clause (ii)(a)

[SHALL - principles]

Chaar value: transparency, competition, fairness, discretion ka khatma. Sale plan aur goods ka wide publicity zaroori. Saari terms bidding document mein comprehensive, plain and simple language mein honi chahiye - chhupe hue conditions nahi. Aur taxes ka applicability document mein saaf likha ho.

Clause (ii)(b)

[SHALL]

Bidding document mein goods ka location aur present condition dono likhne honge, taaki bidder bidding se pehle inspect kar sake. Isse "jo dekha wo mila" wala dispute nahi hota - isliye condition chhupana rule ke khilaf hai.

Note Note

[NOTE]

(i) mein nau steps hain (a)-(i), jabki (ii) mein saat aspects (a)-(g) - dono ki numbering alag hai, confuse na karein.

Exam trap

[EXAM]

Bid security kitni? Ordinarily assessed ya reserved price ka 10% - exact amount bidding document mein.

Atomic units in this rule: 9 clauses, 2 notes, 1 exceptions

Revision one-liners

- 9 steps (a)-(i): bidding document se lekar unsuccessful bidders ki bid security wapas karne tak
- Location + present condition must be disclosed
- Bid security = 10% of assessed/reserved price
- Negotiation ONLY with the highest acceptable responsive bidder
- Full payment before release; default -> forfeit + re-sale at risk & cost
- Late bids not considered

Rule 220 - Disposal through Auction

Sale | status: current | SALE

Yaad rakho: 25% spot earnest money, Cash ya DACR, IFW officer zaroori

Clause tree (verbatim structure)

Clause (i)

[MAY]

Auction do tareeqe se ho sakti hai: khud (directly) ya approved auctioneers ke through. Dono valid hain - "approved auctioneers" ka matlab hai ki kisi bhi private auctioneer ko nahi, approved ko hi lena hai.

Clause (ii)

[SHALL]

Principles wahi - transparency, competition, fairness, discretion ka khatma. Auction plan mein goods ki details, unka location aur sale ki terms hon, aur use utni hi wide publicity mile jitni advertised tender ko milti hai. Matlab chupke se auction karwana allowed nahi.

Clause (iii)

[SHALL]

Auction shuru karte waqt ek baar phir ghoshit karein: goods ki condition, location, aur terms & conditions - ikathhe hue bidders ke faayde ke liye. Publicity mein likha hua phir se bolna zaroori hai, taaki koi bole "mujhe pata nahi tha".

Note Note

[NOTE]

25% earnest money aur 10% bid security (Rule 219) mein farq yaad rakhiye - auction mein 25%, tender mein 10%.

Exam trap

[EXAM]

Auction mein earnest money kitni? Bid value ka kam se kam 25% - turant, mauke par, cash ya DACR mein.

Atomic units in this rule: 5 clauses, 2 notes

Revision one-liners

- Direct or through approved auctioneers

Rule 221 - Disposal at scrap value or by other modes

Sale | status: current | SALE

Yaad rakho: Tender fail, Auction fail, Scrap (CA + Finance), Eco-friendly destruction

Clause tree (verbatim structure)

Rule 221

[MAY (with conditions)]

Do stages. Stage 1: agar advertised tender ya auction ke bawajood item nahi bikta, to scrap value par becha ja sakta hai - par competent authority ki approval ke saath Finance division se consultation karke. Yani do alag cheezein: approval (competent authority) + consultation (Finance division).

Note Note

[NOTE]

Rule 221 "MAY" hai - lekin condition ke saath: pehle dono sale modes try karne honge.

Exam trap

[EXAM]

Kya bina tender/auction try kiye seedha scrap value par bech sakte hain? Nahi. "In spite of its attempts through advertised tender or auction" - pehle dono try zaroori.

Atomic units in this rule: 1 clauses, 2 notes

Revision one-liners

- Only after BOTH tender and auction have failed
- Scrap value: competent authority approval + Finance division consultation
- Still unsold -> any other mode including eco-friendly destruction

Rule 222 - Sale Account

Records | status: current | RECORDS

Yaad rakho: Form GFR-11, Sale supervise karne wale officer ke sign

Clause tree (verbatim structure)

Rule 222

[SHALL]

Dispose kiye gaye goods ka sale account Form GFR-11 mein banega, aur us par us officer ke sign honge jisne sale ya auction ki supervision ki. Dhyan dein: sign karne wala wohi officer hai jisne supervise kiya - koi aur officer "on behalf" sign nahi kar sakta is rule ke under.

Teen baatein: (1) revaluation, stock-taking ya kisi aur wajah se hone wale profit aur loss dono record kiye jayenge aur zaroorat padne par adjust kiye jayenge; (2) formal sanction competent authority ki leni hogi - chahe government accounts mein koi correction/adjustment ho ya na ho.

Rule 223(2)

[SHALL - 4 heads]

Answers

Har jawab ke saath rule ka hawala aur short explanation.

1. (b) Chapter 7 = Inventory Management, Rules 207 to 223 (17 rules). Chapter 6 is procurement (142-206) and Chapter 8 is contract management (224-227A).
2. (a) Rule 213(1): fixed assets should be verified at least once in a year, the inventory is ordinarily maintained at site, and the outcome is recorded in the corresponding register.
3. (b) Rule 213(2): a physical verification of all consumable goods and materials should be undertaken at least once in a year.
4. (b) Rule 215(i): $\leq 20,000$ volumes $\rightarrow$ every year; more than 20,000 and up to 50,000 $\rightarrow$ at least once in three years; more than 50,000 $\rightarrow$ sample verification at intervals of not more than three years.
5. (c) Rule 215(i): for libraries having more than 50,000 volumes, sample physical verification at intervals of not more than three years. If it reveals unusual/unreasonable shortages, complete verification is done.
6. (b) Rule 215(ii): loss of five volumes per one thousand volumes issued/consulted in a year is reasonable - provided it is not attributable to dishonesty or negligence. A book valued above ₹1,000, and rare books, must always be investigated.
7. (b) Rule 214 note: a material remaining in stock for over a year shall generally be considered surplus unless adequate reasons to treat it otherwise exist - it is rebuttable, not automatic.
8. (c) Rule 218(i): above ₹4,00,000. This was enhanced from ₹2,00,000 by DoE OM No. F.1/3/2024-PPD dated 10.07.2024.
9. (c) Rule 219: bid security shall ordinarily be 10% of the assessed or reserved price, and the amount must be stated in the bidding document.
10. (b) Rule 220: earnest money of not less than 25% of the bid value, immediately on the spot, in cash or by Deposit-at-Call-Receipt (DACR).
11. (a) Rule 220: the composition of the auction team is decided by the competent authority, but it must include an officer of the Internal Finance Wing of the department.
12. (c) Rule 218(iii): such hazardous or unfit-for-human-consumption goods shall be disposed of or destroyed immediately, to avoid health hazard, environmental pollution and misuse.
13. (c) Rule 212: calculation of charges recoverable from local bodies, contractors and others shall be based on the historical cost.
14. (b) Rule 221: only after attempts through advertised tender or auction fail, and with competent authority approval in consultation with the Finance division.
15. (c) Rule 223(1) uses the exact phrase "even though no formal correction or adjustment in Government accounts is involved". This is a classic exam trap.
16. (c) Rule 223(3): five heads - theft or fraud; neglect; anticipated losses on obsolescence/excess purchases; damage; and Force Majeure (fire, flood, enemy action). Losses due to depreciation have four heads.
17. (c) Rule 216: the statement with all relevant details is prepared and signed with date by both the relieving and relieved officer, and each retains a copy.
18. (a) Rule 217(iii): report of stores for disposal $\rightarrow$ Form GFR-10. The sale account after disposal $\rightarrow$ Form GFR-11 (Rule 222).
19. (b) Rule 208(1)(ii): sab materials ko counted/measured/weighed karne ke saath visual inspection zaroori hai. Technical inspection "where required" hai.
20. (b) Rule 209(iv): agar poora indent pura na ho sake to jitna uplabdh hai utna supply karein aur indentor ki copy mein entry karein; alternative material ho to document mein zikr kiya ja sakta hai.
21. (b) Note: "These forms can be supplemented with additional details by Ministries/Departments as required." Supplement karna hai, replace karna nahi.
22. (a) Rule 213(3)(iii) specifically says action "in accordance with provision given in Rule 33 to 38" - Chapter 2 ka loss-reporting framework.
23. (b) Rule 215(ii): rare books irrespective of value aur ₹1,000 se upar ki kitaab - dono ki loss ki investigation invariably hogi.

24. (b) Rule 217(iii) khud fallback deta hai: "the original purchase price of the goods in question may be utilised".
25. (c) Rule 219(i) mein nau steps hain (a) se (i) - aakhri step unsuccessful bidders ki bid security return karna hai.
26. (b) Rule 219(ii)(e): remaining quantity next higher bidder(s) ko usi price par offer ki ja sakti hai jo highest acceptable bidder ne offer kiya tha.
27. (b) Rule 220(iv): not less than 25% of bid value, immediately on the spot, cash ya DACR (Ministry/Department ke favour mein).
28. (b) Rule 221: pehle tender+auction dono try karne honge, phir competent authority approval in consultation with Finance division.
29. (b) Rule 222: Form GFR-11, "duly signed by the officer who supervised the sale or auction".
30. (c) Theft/fraud Rule 223(3)(i) mein aata hai - non-depreciation wala head. Depreciation ke 4 heads hain: market fluctuation, wear & tear, lack of foresight in purchases, negligence after purchase.
31. (b) Rule 218(iii): hazardous ya human consumption ke layak na hone wale items ko turant dispose/destroy karein - health hazard, pollution aur misuse se bachne ke liye. Threshold in par lagta nahi.
32. (b) Rule 218(iv): "to ensure compliance with rules relating to official secrets as well as financial prudence".
33. (b) Rule 208(1)(ii): sab materials ko counted/measured/weighed karne ke saath visual inspection zaroori hai. Technical inspection "where required" hai.

37. (b) Rule 215(ii): rare books irrespective of value aur ₹1,000 se upar ki kitaab - dono ki loss ki investigation invariably hogi.
38. (b) Rule 217(iii) khud fallback deta hai: "the original purchase price of the goods in question may be utilised".
39. (c) Rule 219(i) mein nau steps hain (a) se (i) - aakhri step unsuccessful bidders ki bid security return karna hai.
